KITCHENAID COLLECTION

IGNITE YOUR CREATIVITY

For 100 years KitchenAid has been celebrating your passion for cooking, designing appliances that inspire your creativity.

At KitchenAid, we are inspired by those who see the kitchen as a space of endless possibility – the people that see making as not just something they do, but as an essential part of who they are. To these makers, the kitchen is more than a room. It's a creative outlet and a space to explore and experiment.

KitchenAid

YOU CAN ALWAYS TELL **A MAKER BY THEIR MARKS**

From the way they hold a knife and pick their ingredients to their ever-growing collections of cookbooks, spices and tools. These are all physical, emotional or behavioural marks that identify the same thing – this is a person with serious passion for the kitchen, this is a Maker.
